YES! I have ordered over 100 prints in either 10 x 15cm (4 x 6") or 13 x 18cm (5 x 7"). Please include my Free Mini Maxi Album of the same size. While stocks last.

4 x 6	AS30
5 x 7	AS44

How will my photos be printed?

Some Digital cameras take a squarer photo than a traditional 35mm camera. Therefore not all digital images can be printed as 4 x 6" without either cropping or having white edges. Extrafilm photos will capture your whole image. This means you may receive white edges on your photos. Tick here if you prefer no white edges, cropping may occur

Enclosed is my CD / DVD, USB or Memory Card with a total of _____ jpg images.
For bulk service, all images supplied will be printed. Your supplied CD / DVD / USB / Memory Card will be returned.

IMPORTANT: For bulk pricing, we print every image on the digital media you supply. For selected printing, see reprint and enlargement service. If no paper preference marked, gloss paper is given. Please supply images in JPG format. Print quality is dependant on resolution of the image supplied. A higher resolution image produces a better quality print. A backup of images is always recommended.
